Bundesrat approves several tax laws (including ATAD Implementation Act and Tax Haven Defence Act)

At its session on 25 June, the Bundesrat approved several tax laws.

Downloaded from Blogs on 16.11.2026 02:56h

The laws to which the Bundesrat gave its approval, following the recommendation of the Finance Committee, include:

- the Act on the Implementation of the Anti-Tax Avoidance Directive
- the Act to Avert Tax Avoidance and Unfair Tax Competition and to Amend Other Laws (see our blog)
- the Act to Facilitate the Implementation of the Reform of the Land Tax and to Amend Other Tax Law Provisions, (see our blog)
