# Real Estate Transfer Tax "RETT"

Real Estate Transfer Tax (RETT) is a tax on the acquisition of real estate in Germany. It is levied on the value of the property transferred, plus any associated costs. The tax rate is generally 3.5% for residential properties and 6.5% for commercial properties. For transfers between family members, the tax rate is reduced to 1.5%. The tax is payable by the acquirer of the property. The tax is levied on the value of the property transferred, plus any associated costs. The tax rate is generally 3.5% for residential properties and 6.5% for commercial properties. For transfers between family members, the tax rate is reduced to 1.5%. The tax is payable by the acquirer of the property.
