Risk and Regulation Channel News: SREP 2023 results and SSM priorities 2024 - 2026 deep dive: Third-Party Risk Management & DORA

Part 4: Martin Neisen and Moira Cronin take a deeper look into the challenges of third-party risk management within DORA

Our experts take a closer look at the requirements for third-party risk management within the Digital Operational Resilience Act (DORA).

What is third-party risk management within DORA?

What are the requirements the bank have to fulfil in order to comply with DORA?

What is the implementation timeline for third-party risk management requirements?

How should banks start to face these challenges and how could PwC support our clients?

Get ongoing updates on the topic via regulatory horizon scanning in our research application, PwC Plus. Read more about the opportunities and offerings [here](#).
