EBA stress test 2025 video series: (5) Challenges in Data, IT & Project Management

Martin Neisen and Michael Britze speak about the challenges associated with data collection, tooling and project management within the EBA stress test.

In addition to major technical challenges, the EBA Stress Test always involves challenges in the areas of data, IT, tooling, and project management. In this video, Martin Neisen and Michael Britze shed light on these challenges and propose possible solutions.
