# Webcast May 6: Private Equity - Cybersecurity in PE Firms and Portfolio Companies

We are pleased to announce the continuation of our Private Equity Webcast Series, designed to provide practical insights into the most pressing challenges and emerging opportunities in the private equity & principal investors sector. The series will run through the remainder of 2025 and into 2026.

We cordially invite you to participate in the upcoming sessions, where you will gain valuable perspectives on how evolving market, accounting, tax, legal, and technological developments may influence your business. You will also have the opportunity to engage with our industry experts to discuss best practices, address specific challenges, and explore strategic opportunities for your company.

Click on "Topics and dates" on our event website to view detailed session descriptions.

We look forward to welcoming you to the webcasts.
