Updated publication: Real Estate Going Global - Worldwide country summaries

PwC updated its publication Real Estate Going Global - Worldwide country summaries, that provides you with a summary of tax and legal aspects of real estate investments from 50 territories around the globe.

Downloaded from Blogs on 08.11.2026 06:57

It includes an overview of the tax system and/or a detailed guide to investing in property in various jurisdictions. Furthermore, you will always have contact details of PwC's real estate experts in each territory at your fingertips.

You can download this brochure from PwC's global website: **www.pwc.com/goingglobal**
