Recovery and Resolution – Resolution planning and SRB priorities

Our experts Martin Neisen and Carole de Vergnies go into detail about the different key elements of Resolution planning and the current priorities for the SRB.

After several episode about the ECB supervision and the new SREP report, they now talk about the detailed structure of the Recovery and Resolution planning and the respective goals the supervisory authority aims to achieve.

With a look at the present, they discuss current To Do's for Banks and especially highlight priored topics of the SRB in 2022.
