Whitepaper CRR3 to go - July 2024

An interactive and in-depth overview of CRR 3's main revisions and implications.

After extensive negotiations and final approval by both the Parliament and the Council of the European Union, the CRR3 has been published in the Official Journal on June 19th, 2024. The CRR 3 changes will have a profound influence on business models, strategies, and operational processes of all European banks. Addressing a broad spectrum of risks, from credit and market to operational, CRR 3 sets a new benchmark, surpassing previous regulations for the European banking sector.

Our interactive whitepaper provides a comprehensive yet concise guide to the pivotal features and implications of the finalised CRR 3. Dive into the document and become familiar with all the essential changes!
